### ILT: Instructor-Led Training

Interactive course or workshop with stand-up lectures delivered to a student group by an instructor. Technical ILTs usually include practical (lab) sessions.

### vILT: virtual Instructor-Led Training.

Electronic and distance learning component consisting of an interactive course delivered to students by a remote instructor. Student access the vILT via the internet or their intranet and can be geographically dispersed. Some vILTs include practical sessions with connection to a remote lab. vILTs are sometimes recorded and then offered for repeated viewing.

### WBT: Web-Based Training.

Electronic and distance learning component available for viewing using a web browser. Some WBTs can be downloaded and be run offline as Computer-Based Training (CBT).

### CBT: Computer-Based Training.

Electronic and distance learning component which runs as an application on a computer. CBTs are usually used offline.

### How to get best flexibility and value for training

Maximise the benefit and potential of your investment in Hitachi Data Systems technology and skills.

Purchase Hitachi Data Systems Training Units which will help you protect your training budget, cover your organisation from unexpected medium term training requirements, and enable you earn a valuable discount for volume purchases.

One Training Unit is typically equivalent to attendance on a one day public scheduled instructor-led training course for one person. It can also be exchanged for any of Hitachi Data Systems' training products and services, as and when the service is required.

You can select the number of Training Units that best suit your training requirements, budget allowance, and time restrictions.

### Terms

One Training Unit is valid for one year from the date of purchase. The minimum quantity available for purchase is 10 Units and can be acquired in any number. All HDS Education products and services are priced in Training Units as well as local currency thus making it easy for you to „spend“ your Training Units once purchased.

### Volume Purchase Discount

Number of Units	Discount	Price per Unit
1 - 10	0,0 %	690,- €
11 - 25	5,0 %	656,- €
26 - 50	7,5 %	638,- €
51 - 100	10,0 %	621,- €
101 - 150	15,0 %	587,- €
151 - >	20,0 %	552,- €

### What next ?

Contact your Hitachi Data Systems Training Centre for assistance in deciding how many Training Units you should purchase, that would best fit your training needs and timescales.
