## Certification News and Updates - April 2009

### In this Issue:

- HDS Academy Director, Peter Manijak's cover story in Certification Magazine: Retaining Your Value with Recertification
- See what Hitachi Data Systems partners are saying about the certification program!

### Hitachi Data Systems Academy Director, Peter Manijak's cover story in Certification Magazine

"Retaining Your Value with Recertification" February 2009 Certification Magazine cover story written by Peter Manijak - HDS Academy Director.

With more than 35,000 monthly readers and 1 million unique web visitors annually, Certification Magazine and CertMag.com are the leading career resources for professionals in Information Technology.

This industry perspective article focuses on IT professionals and their need to keep credentials current. In a tight job market, professionals must weigh their recertification options to make the most effective and cost-efficient decision. This article cites the best practices to look for when recertifying. The Hitachi Data Systems Certification Program follows these best practices which enhances the value to participants in the program.
