

YOU'RE INVITED!

2008 WebTech Webcast Series

Hitachi Data Systems is pleased to announce its WebTech Webinar Series for technical end-users.

WebTech webcasts will help you:

- ➔ Maximize your storage investment
- ➔ Employ cost-savings techniques
- ➔ Understand best-in-class practices with real-life scenarios

➔ **Who should attend:**

Systems and Storage Administrators, Storage Specialists, System and Network Architects, IT Staff, Operations and IT Managers *plus* anyone who is looking for storage best practices.

**Date: Bi-weekly
starting January 9, 2008
Time: 9:00 am PST**
