

Software License Terms

Unless otherwise provided for in a current signed agreement between You and Hitachi Data Systems Corporation, located at 2845 Lafayette Street, Santa Clara, CA 95050 ("HDS"), these Software License Terms ("**License Terms**") apply to the HDS products purchased by You ("**Software**"). You must read these License Terms under which HDS will license Software to You. Capitalized terms will have the meanings indicated in Section 22 below.

BY DOWNLOADING, INSTALLING, COPYING, ACCESSING, OR USING THE SOFTWARE, OR BY CHOOSING THE "I ACCEPT" OPTION LOCATED ON OR ADJACENT TO THE SCREEN WHERE THIS AGREEMENT MAY BE DISPLAYED, YOU AGREE TO THE SOFTWARE LICENSE TERMS. IF YOU ARE ACCEPTING THESE TERMS ON BEHALF OF ANOTHER PERSON, COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT AND WARRANT THAT YOU HAVE FULL AUTHORITY TO BIND THAT PERSON, COMPANY, OR LEGAL ENTITY TO THESE LICENSE TERMS. IF YOU DO NOT AGREE TO THESE LICENSE TERMS, DO NOT DOWNLOAD, INSTALL, COPY, ACCESS, CLICK AN ACCEPT BUTTON OR USE THE SOFTWARE AND PROMPTLY RETURN THE SOFTWARE TO THE PARTY FROM WHOM IT WAS OBTAINED FOR A REFUND OF THE AMOUNT PAID.

STANDALONE SOFTWARE LICENSE TERMS

1. **License Grant**

(a) Except as otherwise expressly provided, HDS grants You a personal, non-transferable, non-exclusive license:

(i) to Use the Software solely on the HDS Equipment with which it is shipped, to enable the Equipment to function;

(ii) to Use the Software solely for Your internal business purposes subject to the restrictions specified on any Equipment used in connection with the Software. For capacity-based Software, You will Use the Software up to the specified capacity purchased, on the relevant Equipment, network, device or CPU allowed; if You wish to exceed capacity, You must pay HDS any additional license fees first;

(iii) if You have purchased "development/testing" licenses, You acknowledge that such licenses are intended for use in Your development and testing environments only, and not in a Production Environment; and

(iv) if You have loaned Equipment or Software from HDS, to use the Software for Your internal evaluation purposes, and subject to the additional terms in Section 2 below.

(b) You must only use the Software as provided:

(i) in either machine-readable object code form or machine-compressed form, and the related documentation may be used only in printed or electronic form;

(ii) in accordance with the Published Specifications applicable to that Software; and

(iii) in compliance with all applicable laws, rules and regulations.

2. Software Evaluation License. Where HDS has granted You the right to Use the Software for Your evaluation purposes, You must Use the Software solely to evaluate its performance and functionality on the relevant Equipment with

which HDS has supplied the Software, in Your internal business environment at the location, and only for the Designated Use, that You have agreed with HDS under the loan arrangement. Your right to Use the Software for such purpose will end upon the earlier of the expiration of the applicable loan period or termination of the loan arrangement.

3. Third Party Software. Third Party Software may be embedded in the Hitachi proprietary Software that is branded as HDS and sublicensed directly to You under these License Terms. Other Third Party Software is provided to You subject to Third Party EULAs, which are available from HDS at Your request. These EULAs may be in the form of shrink-wrap or click-through license agreements. You will have no recourse against HDS with respect to the Third Party Software unless HDS is the stated licensor and then only to the extent expressly provided for in such license. You are responsible to do whatever is necessary or required by the Third Party Licensor for the licenses and related terms to take effect (e.g. online registration). The inclusion of Third Party Software or Open Source Software in the Software and Your acceptance of any Third Party EULAs or Open Source Software Licenses (or other similar agreements presented by Third Party Licensors) will not adversely affect Your Use of the Software as contemplated under the Agreement.

4. Open Source Software. (a) The Software may include Open Source Software. You can access a complete list of the licenses for the Open Source Software provided with the Hitachi proprietary Software from the Open Source License Website. You are responsible to read the terms of and adhere to all licenses for Open Source Software. (b) By accepting these License Terms, You are also accepting the terms and conditions of the licenses applicable to any Third Party Software (including any Open Source Software) included with the Software. The Open Source License Website does not include Third Party Related OSS. You must refer to the applicable Third Party EULA or the file directory located in the Software for those terms. (c) If the Software includes certain software licensed under the GNU General Public License or other

similar Open Source Software with a license that requires the licensor to make the source code publicly available ("**GPL Software**") and the applicable source code was not included in the Software, then You may obtain a copy of the applicable source code for the GPL Software by either (i) requesting HDS mail the open source code to You or (ii) downloading the open source code by following the links on the website referenced in the Open Source License Website.

5. Use Restrictions. Except to the extent these restrictions are prohibited by applicable law or any Open Source Software License, or otherwise agreed to by HDS in writing, You must not, and must not allow any other person to: (a) disclose the results of testing or benchmarking the Software or products to any third party without the prior written consent of HDS; (b) translate, decompile, disassemble, reverse compile, reverse engineer, reduce in human readable form or otherwise attempt to discover, access or reconstruct the source code or underlying ideas, algorithms, file formats, programming or interoperability interfaces of the Software, or any files contained in, or generated using the Software by any means whatsoever; (c) modify, unbundle, enhance, supplement, or create derivative works using the Software; (d) sub-license, rent, lease, transfer, loan, distribute, resell or grant any rights in and to the Software to a third party; (e) copy or reproduce the Software other than as expressly allowed other than as expressly allowed in the these License Terms, these License Terms or as authorized by HDS; (f) remove or otherwise tamper with any proprietary notices, labels or marks contained on or in the Software; (g) use or permit the Software or product to be used to perform services for third parties, whether on a service bureau or time sharing basis or otherwise, other than as expressly allowed in these License Terms or as authorized by HDS; (h) use the Software or allow its use for the purpose of: (i) developing, enhancing or marketing any product that is in any way competitive with the Software or any HDS product; or (ii) testing the Software or HDS product to derive data for any purpose which is competitive with the Software or any HDS product; (iii) use the Software via any communications network or by means of remote access; or (i) use the Software in any manner other than as expressly provided herein.

6. Authorized Copies HDS will provide You with one copy of the media and documentation for the Software. For Software licensed under an enterprise license, HDS grants to You right to make copies of the Software solely for Your own internal use within the scope of the enterprise license. You may also make one copy of back-up or archival copies of Software solely for Your own internal use, provided that You ensure that such copy bears HDS' proprietary notices, labels or marks. You must reproduce on all copies made, all proprietary and copyright notices contained on or in the Software.

7. Software Transfers Except to the extent otherwise provided in any applicable Open Source Software License, You must not transfer the Software to any other person or entity, without HDS' prior written consent. You may, however, transfer the Operating Software to a third party ("**transferee**") solely with the related HDS equipment, but You must ensure that the transferee agrees to the terms of these Software License Terms and additional relevant license terms. The Operating Software is provided to the transferee on an "as is" basis, with no extension of any existing warranty or support arrangements. When the transfer is complete, You must remove and destroy all copies of the Operating Software in Your possession or under Your control. You must also permanently remove all Software from any media upon which it is stored prior to disposing of the media.

8. Location of Software If the Equipment upon which You are authorized to Use the Software becomes temporarily inoperable, You may load and Use the Software on another of Your computer systems located at the same premises, until the original Equipment becomes operable. Otherwise, You must always get HDS' prior written consent before changing the Equipment on which the Software is to be Used, or its location.

9. Verification Rights HDS or its independent auditor may, upon reasonable notice to You, examine and audit Your records and systems to ensure compliance with applicable software licenses. The audit will be performed during normal business hours in a manner which does not unduly interfere with Your business operations. If the audit shows that You are using more copies of the Software than permitted under Your applicable license(s), HDS may charge You additional usage fees.

10. Limited Warranty Subject to this Section 10, HDS warrants to You that, during the Warranty Period, the Software will function in accordance with its Published Specifications. To make a valid warranty claim, You must submit a claim to HDS under the procedures set out at <https://www.hds.com/en-us/about-hds/legal.html>.

EXCEPT AS SPECIFIED IN THESE LICENSE TERMS, ALL EXPRESS OR IMPLIED CONDITIONS, REPRESENTATIONS AND WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OR CONDITION OF MERCHANTABILITY, SATISFACTORY QUALITY, OR FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT ARE EXCLUDED TO THE MAXIMUM EXTENT PERMITTED BY LAW. HDS DOES NOT WARRANT THAT ANY SOFTWARE OR THIRD PARTY SOFTWARE WILL OPERATE UNINTERRUPTED OR ERROR FREE AND WILL NOT BE LIABLE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES.

11. Ownership and Licenses (a) You agree and acknowledge that HDS and its licensors own all copyright, trademarks, designs, patents, circuit layout rights, know-how, trade secrets, trade, business and/or company names, domain names and related registration rights and all other intellectual property rights in the **Hitachi IP**. Hitachi IP is protected by U.S. and other copyright laws and the laws protecting trade secret, other intellectual property rights and confidential information. (b) You gain no right, title or interest in the Hitachi IP other than the license rights in Software and any other Hitachi IP as expressly stated in these License Terms. (c) Without limiting the operation of the License Terms, You must not do anything to jeopardize the rights of HDS and HDS' licensors' rights in the Hitachi IP including to (i) copy, modify, merge, or transmit Hitachi IP; (ii) register or attempt to register any competing intellectual property rights in or to the Hitachi IP; (iii) delete or tamper with any proprietary notices on or in the Hitachi IP, (iv) take or allow any action that diminishes the value of any trademarks included in the Hitachi IP, or (v) use the Software in violation of applicable law. These restrictions are in addition to those stated in Article 5.

12. Intellectual Property Claims Subject to Sections 5 and 11 and the exceptions in this Section, if a third party makes a claim against You that the Software infringes that party's patent rights or copyright ("**IP Claim**"), HDS will provide the following recourse (which, to the extent permitted by applicable law, comprises Your sole and exclusive remedy against HDS and HDS' sole and exclusive liability to You for the IP Claim):

(a) HDS will defend or settle the IP Claim at our option and cost, and pay to You the amount of damages, losses and costs finally awarded against You or settled by You (with HDS' written consent), provided that You (i) promptly notify HDS of the IP Claim (ii) allow HDS to solely manage the defense and settlement of the IP Claim; (iii) co-operate with and assist HDS as HDS requires (and HDS will pay Your costs of doing so); and (iv) are not in breach of these License Terms or any other agreement that You have with HDS or any of its affiliates.

- (b) HDS will, at its option and cost, do any of the following in relation to Software which is or which HDS considers is likely to be the subject of an IP Claim: (i) secure the rights for You to continue to use the Software without infringement or (ii) modify the Software so that it is not infringing or (iii) replace it with something that has similar functionality to the Software. If HDS considers that none of these options are reasonably possible, HDS will provide You with a refund, provided that You promptly return the Software to HDS.

HDS will not be liable to provide any remedies in this Section with respect to (x) any Third Party Software that is not included on HDS' standard price list at the time of the IP Claim; (b) any Third Party Related OSS or (c) otherwise to any Software that You have, or any person on Your behalf has: (i) modified or combined with any third party product not resold and authorized or approved by HDS, (ii) used outside the stated standard operating environment for the Software or for an unauthorized purpose or (iii) failed to use a more recent version of the Software that was available to You and would have avoided the infringement or where the IP Claim arises due to any material or item that You own or have sourced from a third party Yourself.

13. Liability Limitations.

13.1 Uncapped Liability. We each acknowledge the full extent of our own liability to the other arising from death or personal injury resulting from our negligent acts or omissions; claims for non-payment; the non-excludable statutory rights of consumers (for example, under laws providing for strict product liability); any infringement of Hitachi IP; breach of the confidentiality obligations, and our breaches of these License Terms. For the avoidance of doubt, to the full extent permitted by law, this Section 13.1 does not apply to a Party's liability for Security Breaches under these License Terms or under applicable law or for a breach of Section 15.

13.2 Cap on Liability. Subject to Sections 13.1 and 16, HDS' indemnity obligations as described in Section 12 and to the extent not prohibited by applicable law:

(a) HDS' and Your maximum aggregate liability for all claims relating to all Software licensed to You under these License Terms, whether for breach of contract, breach of warranty or in tort, including negligence, will be limited to the amount paid for the particular Software which is the subject matter of the claim, up to a maximum of the fees paid by You to HDS over the twelve (12) month period immediately prior to the first event giving rise to the claim; and

(b) neither You nor HDS will be liable for any indirect, punitive, special, incidental or consequential damages in connection with or arising out of the License Terms (including, without limitation, loss of actual or anticipated business, revenue, profits, goodwill, loss of use, lost or corrupted data, or loss of other economic advantage), however they arise, whether in breach of contract, breach of warranty or in tort, including negligence, and even if that party has previously been advised of the possibility of such damages.

14. Confidential Information. Each Party must keep any Confidential Information that is disclosed by the other party as confidential by using the same degree of care used to protect our own Confidential Information. Each Party must not disclose the other Party's Confidential Information to any third party, without the other Party's prior written consent. A Party can, however, disclose the other Party's Confidential Information to those of its Personnel who need to know the information in order to perform that Party's obligations under these License Terms, provided that it takes all necessary steps to ensure its Personnel's compliance with this Section.

15. PERSONAL DATA

15.1 Your Obligations.

You are, and will remain at all times, the data controller for any Personal Data You provide to HDS. You are responsible for compliance with Your obligations as the data controller under applicable data protection laws. You will provide adequate safeguards to, routinely back up, and ensure the integrity and security of Your Personal Data. You are responsible for any unauthorized access, acquisition, use, disclosure, modification or destruction to Your Personal Data caused by the acts or omissions of You, Your Personnel, Affiliates, agents, vendors, and contractors. You will only provide HDS with Personal Data that You have the legal right to collect, process, use, and transfer, and only to the extent that is necessary or required under any transaction agreed to by the Parties pursuant to these License Terms. You will not disclose any Personal Data about HDS Personnel without the prior written consent of HDS.

15.2 Our Obligations.

To the extent that HDS collects Your Personal Data as part of a transaction agreed to by the Parties pursuant to these License Terms, HDS agrees to not disclose such Personal Data unless HDS has your prior written consent, or otherwise as is allowed under these License Terms. HDS is entitled to disclose Your Personal Data: (i) to HDS' Personnel with a need to know the information in order to perform obligations under these License Terms; (ii) to Affiliates, subcontractors, vendors, and agents of HDS who help HDS perform its obligations under these License Terms and who are contractually obligated to protect Your Personal Data; or (iii) as required by law. HDS will comply with applicable law with respect to your Personal Data.

15.3 Reporting.

Each Party will promptly report any Security Breach to the other Party. The Party experiencing the Security Breach will first provide oral notice as soon as reasonably practicable and no later than ten (10) days after discovery. That Party will provide follow-up, written notice as soon as reasonably practicable and no later than fifteen (15) days after discovery. The written notice will include, to the extent the information is currently available: (i) an identification of affected individuals, and (ii) any other information that must be included in a legally required notice of Security Breach under applicable law.

15.4 Cooperation And Mitigation.

Each Party agrees to cooperate in any Security Breach investigation undertaken by, or otherwise involving the other Party and to take reasonable measures to mitigate the harmful effects of any Security Breach, of which that Party becomes aware.

16. Service/Support Delays and Failures. If HDS fails to perform, or delays in the performance of, any service or other obligation required of HDS under these License Terms, HDS will not be liable to You for the failure or non-performance, to the extent that such failure or non-performance is caused by Your act or omission, or the act or omission of Your Personnel or any other person acting on Your behalf. In any event, You agree to take all steps and measures available to You in order to mitigate and minimize the losses, costs and damages arising from such failure or non-performance, irrespective of the nature and extent of Your contribution.

17. Export Compliance and Anti-Bribery. (a) You acknowledge that in various countries, laws and regulations regulate the export of computer products and technology which may prohibit use, sale or re-export of such products or technology if You know or have reason to know that such products and technology are for use in connection with the

design, development, production, stock piling or use of nuclear, chemical or biological weapons or missiles and in some countries (e.g. China) for certain conventional military end-uses. If You sell or transfer to another person or entity title in or right to use any Software, you will ensure that all applicable export restrictions of the nature described in this section are observed.

(b) Each party will comply with all applicable laws and regulations relating to anti-corruption and bribery, including the U.S. Foreign Corrupt Practices Act, and not engage in any activity, practice or conduct that would constitute an offence under such laws and regulations. You must read, understand and comply with the HDS Code of Ethics and Business Conduct located at <https://www.hds.com/assets/pdf/code-of-ethics-and-business-conduct.pdf>.

18. Termination of License Your license in the Software will terminate: (i) when that Software is replaced with any upgrade, revision or replacement Software; or (ii) if You are in breach of any of these License Terms or any license for Third Party Software.

19. Dispute Resolution. Both of us will use reasonable efforts to get an appropriate person from our respective management teams to meet and attempt to resolve any dispute regarding these License Terms in good faith. If such management are unable to resolve the dispute within 30 days, the parties may resort to alternate dispute resolution such as arbitration (if both parties agree) or otherwise a Party may seek recourse from the courts. Either party may seek injunctive or other urgent equitable relief at any time.

20. Governing Law. These License Terms will be governed by California law, with venue and exclusive jurisdiction in the appropriate courts in Santa Clara County, California. To the extent allowed, the United Nations Convention on Contracts for the International sale of goods and its implementing legislation will not apply to these License Terms.

21. Miscellaneous. Neither of us will be responsible for any failure to meet any of our obligations (except payment obligations) due to matters beyond our reasonable control provided reasonable efforts have been made to perform them. You must not assign, or otherwise transfer any of Your rights under these License Terms without HDS' prior written agreement. Notices made under these License Terms must be in writing to a senior executive. Notices will be deemed given: where they are hand delivered, when a duly authorized employee or representative of the recipient gives written acknowledgement of receipt; for email communication, at the time the communication enters into the information system of the recipient; for posting, three days after dispatch and for fax, on receipted transmission of the fax. Rights and obligations under these License Terms, which by their nature should survive the termination or expiry, will remain in effect after termination. If either of us fails to promptly exercise any contractual right, this does not of itself mean that the right has been waived. For a waiver of a right to be valid, it must be written and it will not give rise to an ongoing waiver or any expectation that the right will not be enforced, unless it is expressly stated to do so. These Terms may not be modified except in writing signed by an authorized representative of each party. There are no third party beneficiaries to these License Terms. All oral or written communications, understandings, proposals, representations and warranties are by agreement, excluded and are of no force or effect (to the extent permitted at law). These License Terms (and all Quotes, Orders and Order Confirmations) are the entire agreement relating to their subject matter. You grant to HDS the limited right to use Your company and brand name and/or logo in promotional materials, including press releases, presentations and customer references regarding the sale of Software. These permissions are free of charge and for worldwide use in any medium. The foregoing notwithstanding, HDS agrees to obtain Your prior written approval for publicity that contains claims, quotes, endorsements or attributions by You, such approval not to be unreasonably withheld. Rights and obligations under these License Terms, which by their nature

should survive the termination or expiration, will remain in effect after termination.

22. Definitions.

Confidential Information: information that, at the time of disclosure, is clearly marked as confidential or in the circumstances would be considered to be confidential.

Core: an individual processor and associated cache memory that is capable of executing a single Software or Third Party Software code thread at a time.

Designated Use: Your internal business evaluation of the performance of the product or Software in a non-production environment.

Equipment: hardware and spare parts manufactured by HDS or Hitachi Ltd., or HDS has authorized You to use with the Software.

Hitachi IP: all items and materials that HDS provides to You or otherwise creates pursuant to these License Terms, and their changes, improvements, additions, enhancements, new versions, updates and derivatives.

Maintenance Material: is defined in the HDS Warranty Maintenance and Support Terms.

Open Source License Website: <https://www.hds.com/en-us/about-hds/legal.html>.

Open Source Software: Third party software, which may be available without charge for use, modification or distribution and generally licensed under the GNU General Public License, Lesser General Public License, Apache or other open source software license, provided, however, that Third Party Related OSS is excluded from this definition.

Order: a written or electronic order for the purchase of Software from HDS, or a document detailing the same, including, but not limited to, description and price which is submitted in accordance with HDS' then-current ordering requirements.

Order Confirmation: a written or electronic acknowledgement or invoice issued by HDS in response to an Order.

Personal Data: personal information about an identifiable person.

Personnel: of a Party means that Party's employees, contractors or workforce members.

Production Environment: any computer system running Software that: a) is being actively used to process data or provide information to the system's users, and b) is not being used for testing purposes.

Published Specifications: the published Software specifications existing at the time You ordered Software from HDS.

Quote: a written quotation or proposal issued by HDS for the proposed supply of products and/or Services.

Refund: a refund of the price that You have paid for the Product will be less a straight-line depreciation, based on a 3 year useful life.

Security Breach: the unauthorized access, acquisition, use, disclosure, modification or destruction of unencrypted or physical copies of an identifiable person's name in combination with medical information, Social Security numbers, financial account information, driver's license numbers, state identification numbers, or other Personal Data protected by the applicable security breach statute.

Software: the object code format of (i) programming firmware embedded in the Equipment to enable it to perform its basic functions or to operate the Equipment ("**Operating**

Software") and (ii) software programs supplied by HDS ("**Programs**") and (iii) any updates, related documentation and Published Specifications. Software may include Third Party Software and/or Open Source Software.

Third Party EULAs: separate licenses directly between You and the third party licensor, which terms may be shrink-wrapped or click-through and related documentation, which may be provided to You in connection with delivery of the Software.

Third Party Licensor: the person set out in the Third Party EULA who licenses the Third Party Software to You.

Third Party Related OSS: any Open Source Software licensed to, provided with or otherwise contained in, the Third Party Software.

Third Party Software: any software contained in or comprising Third Party Products. For clarification purposes, if any Third Party Software not sublicensed through the License Terms contains Third Party Related OSS, You must refer back to that applicable license for those terms.

Third Party Products: any equipment or Software supplied to HDS by any party other than Hitachi Ltd. for direct or indirect distribution to end users, which is listed in HDS' standard product price lists published from time to time.

Update: Subsequent releases and error corrections and/or minor functional enhancements for Software previously licensed by HDS.

Use: to use Software and Third Party Software in live production for processing data either in operation of products or in Use of Programs.

Warranty Period: means the applicable warranty period listed on <https://www.hds.com/en-us/about-hds/legal.html> for a particular Software following delivery of the Software or in the case of Third Party Software, as may be provided in the applicable third party warranty terms.

You or Your: end user of the Software.
